OUR INSPIRATION

Late. Bhausaheb Mulak
(Ex Minister Maharashtra State)

FOUNDER'S MESSAGE

“

With steady steps, in accordance with the national policy of enhancing access to higher education for the youth of the country, KDKCOP aims at overall development of an individual by providing best education, technical know-how, personality traits and leadership qualities to grow as future of India with values in life.

My heart fills with immense pleasure as I perceive the progress being made at BCYRCS KDK College of Pharmacy and research institute. The basic purpose of Education should not restrict to bookish knowledge, the students should also inculcate values like wisdom, courage, humility and integrity. We, believe overall development of our students, incorporating-academics, co-curricular activities, sports education, and life skills learning. I extend my warm wishes to the Principal Staff, and students of KDK College of Pharmacy and research institute to continue Also this journey on the road to excellence. Also My best wishes for the College Annual Gathering **SAARANG-2024**" & college magazine "**Pharma Buzz-Connecting the Dots**

”

~ Hon. Smt. Sumanmala B. Mulak
Chairperson, BCYRC and BMCT

MESSAGE FROM SECRETARY

“

BCYRC'S Institution, owned and managed by KDK Group of Institute is one of the leading an sought in Nagpur imparting quality education at an affordable cost. Our vision is to "Educate, Enlighten and Empower" has been tested over the 20 last Years of yeomen service, what comes to my mind is that- "Success comes to those who work hard and stays with hard and stays with those who don't rest on the laurels of the past." we live today in a world that is so very different from the one we grew up in, the one we were educated in. The world today is changing at such an accelerated rate we as educators need to pause and reflect on this entire system of Education. are our College well equipped to Prepare our children to face the challenges that the future holds? Questions such as these are factors that motivate us to go through a continuous process of reflection and hence we at BCYRC'S Institute work at implementing a well-balanced curriculum to ensure that the children who walk into the portals of our College will not just love their college years but truly be prepared to face life's challenges. It was Margaret Mead who said. "Children must be taught how to think, not what to think". Aristotle once said that, "Educating the mind without educating the heart is no education at all." Even as we impart education to match the advancement technology and globalization we march our children ahead with DBA'S ethos of moral values and principles. We endeavour constantly to instill these qualities in our children. We pride ourselves to help them grow and develop into responsible citizens of the future.

Also My best wishes for the College Annual Gathering "**SAARANG-2024**", And college magazine "**Pharma Buzz- Connecting the dots**"

” ~ Hon'ble Shri Rajendra Mulak
Ex-MLA (Maharashtra State)

MESSAGE FROM TREASURER

“

Students are the future leaders of the country. Their compassion, dedication, hopes, and dreams will lead our society into a progressive future one day. Nevertheless, student life is not easy!

Write your own story with passion and determination. Success will find its way to you!

Your hard work is bound to result in prosperity and fortune. Good luck for a successful life ahead!

Students are a true learning enthusiast. I am confident that youngsters will accomplish a lot in life. Strive hard to accomplish all of your dreams.

Also My best wishes for the College Annual Gathering **SAARANG-2024**, And college magazine "**Pharma Buzz- Connecting the dots...**"

”

~ Hon'ble Shri Yashraj R. Mulak
Treasurer, BCYRC, BMCT

MESSAGE FROM PRINCIPAL'S DESK

“

“May the sapling grow into trees and spread branches.”

Every student is like a seed that has the potential to grow if it is nourished with love and care under the right guidance. In this era of competition and challenges, it is essential that students should not only excel in academics but should also excel in sports and other extracurricular activities. At KDK College of pharmacy and research Institute, we are dedicated to exhaustive quality learning and are utterly committed to a continuous process of improvement for the benefit of the students.

It is gratifying to note that BCYRC'S KDK College of Pharmacy and research institute, Nagpur is celebrating **SAARANG -2024 -celebrating the color of Joy and Success**, an Annual Sports and cultural fest along with bringing out an another edition of annual college magazine **PHARMA BUZZ- Connecting the dots**, to channelize the creative aspect of the students and highlighting the success and achievement of its pursuits. It helps to reveal creations, achievements and skills of our student's in academics as well as extracurricular activities, thereby sharpening their communication skill, contributing to their overall personality development

We cherish our motto of Overall development of our students. **“SAARANG -2024”** is exclusively meant for tossing out the hidden potential of the students. I am confident enough that our students will make themselves stronger day by day, adding a new leaf to the grandeur of the college.

I wish you all the best and happy reading !!

”

~ Dr. Kamlesh J. Wadher

MESSAGE FROM PRINCIPAL'S DESK

“

Dear Students College is our first contact with the a period of joy, healthy competition, fearing, world adjustment, sharing and love. It is not the wide open spaces, classrooms, the library, laboratories or the large fields that make the College. It is in the heart of the students and staff that the true institution exists. According to academic analysis, the youth of future generation are going to be more prone to violence and deviant behavior. This deteriorating trend is a matter of great concern to parents as well as lecturer. We are all aware through media reports of incidents of abuse, self-inflicted violence, violent outburst, depression, violence using social media and other on-line for as. Learning in not process limited to schools and colleges only, nor does it end with the conclusion of one college career. It is indeed a lifelong process. This college is oriented to the total formation of a child and to adaptations of various methods suiting the dynamics of changing world in order to achieve common goals and obiectives.

Also My best wishes for the College Annual Gathering " **SAARANG-2024**", And college magazine "**Pharma Buzz-**" **Connecting the dots**

”

~ Mr. Dilip S. Denge

OUR VISION , MISSION & OBJECTIVES

KDK College of Pharmacy is dedicated to fostering an academic environment that nurtures the holistic development of young students. Our primary goal is to cultivate individuals who possess not only technical expertise but also managerial acumen, along with sound mental and physical health. We envision imparting top-notch technical education in pharmaceutical science by offering exceptional academic facilities, well-equipped laboratories, and training under the guidance of proficient educators.

Our mission is to extend quality education in pharmaceutical science to both rural and urban communities, thereby contributing to the betterment of humanity with integrity at its core. Through our commitment to excellence and inclusivity, we strive to empower our students with the knowledge and skills necessary to make significant contributions to the pharmaceutical industry and society as a whole.

ENGLISH CORNER

1] Reason to choose pharmacy

* Passion for building relationship with others & providing patient care

* Unique approach to people's health

* Valuable & great work towards health care

2] Why I choose pharmacy

* Want to explore in the world of medicine and how it is made, prepared and worked

* Curiosity to learn about human body's functions

* Was interested in making new things & always want to make know that how medicines is made

* Wants to contribute little to our society

NAVIGATING THE PHARMA STUDENT JOURNEY

Being a pharmaceuticals student is a dynamic journey filled with both challenges and rewards. We dive deep into the complexities of pharmaceutical science, studying drug formulations, pharmacokinetics, and regulatory processes. Despite the demanding coursework and practical applications, we find fulfillment in our contributions to improving patient care and advancing the field of healthcare.

Through hands-on experiences in laboratories, internships, and research projects, we develop essential skills and gain invaluable insights into the world of drug development and delivery. Each obstacle we overcome fuels our passion for learning and drives us to make a meaningful impact in our future careers. As pharmaceuticals students, we embrace the journey with enthusiasm, knowing that our education equips us to address the ever-evolving challenges of the pharmaceutical industry and make a difference in the lives of others.

संघर्ष

उठ ऐ नौजवान.....२
क्या तू अब तक सो रहा
सुनी पडी है तेरी मंजिल,
क्यों तू उसको खो रहा ।

काँटे है तेरे पग में,
सूनी है तेरी डगर ।
कठिनाई भरा ये तेरा जीवन,
खा रहा तुझको काल बन कर ।
संघर्ष कर तू नौजवान,
उठ ऐ नौजवान.....२

जिंदगी मिली है अगर,
ना खो उसको बनके बेखबर ।
कुछ करना चाहता है अगर,
कर जिंदगी से संघर्ष ।
उठ ऐ नौजवान.....२

जान हथेली पर रख कर,
करना है संघर्ष अगर,
फूल भी खिल जाएंगे पथ पर,
नाम तेरा होगा अमर ।
उठ ऐ नौजवान.....२

(मेरी स्वचित कविता)

सानिध्य नागदेवे

नववीं 'अ'

मरणोपरांत॥

ना जाने कितने साल बीत गए अकेले रहने में यहाँ ,
सारे गावँ की भीड़ जुटी है
आज मेरे मरने के बाद।

दुनिया से दो बोल प्रशंसा के सुनने को कान तरस गए,
तारीफें बयां कर रहे है,
आज मेरे मरने के बाद।

फटे पुराने कपडों में सारी जींदगी गुज़ार दी, नए कपड़े मिले है मुझे,
आज मेरे मरने के बाद।

प्यार से दो फूल कभी दिये ना किसिने, फूलों की कब्र पर लेटाया है मुझे
आज मेरे मरने के बाद।

उम्र भर दूसरों के कदमों में पड़ा रहा, कंधो पर उठा रहे है मुझे,
आज मेरे मरने के बाद।

जिन्दगी का सारा सुकून छीन गया, आराम दायक कब्र मिली है मुझे,
आज मेरे मरने के बाद।

जिन्दगी ने इतनी खुशिया दी है मुझ, पर क्या करुँ इनका,
अब मै मरने के बाद॥

MARATHI CORNER

१४ फेब्रुवारी -

प्रेम दिवस की इतिहासातील काळा दिवस ?

१४ फेब्रुवारी हा दिवस तसा सर्वत्र "व्हॅलेटाईन डे म्हणजेच प्रेमाचा दिवस" म्हणून मोठ्या उत्साहात साजरा केला जातो. प्रेमीयुगल या दिवशी प्रेमाचा दिवस म्हणून साजरा करतात आणि त्यांच्या प्रेमदिनी बंजरंग दलाचे कार्यकर्ते त्यांच्या प्रेमात विघ्न आणण्याचे काम करतात.

असो आज मी आजच्या दिवशीच घडलेल्या दुसऱ्या एका घटनेबद्दल विचार मांडणार आहे. १४ फेब्रुवारी २०१९ रोजी भारताच्या इतिहासात एक काळी घटना घडली. भारतीय सुर जवानांसोबत घडलेली एक दुर्दैवी घटना त्याच्याशी जोडलेली आहे.

या घटनेमुळे संपूर्ण भारत देश शोकसागरात बुडाला होता. १४ फेब्रुवारी २०१९ मध्ये भारतीय जवानांवर पुलवामामध्ये दहशतवादी हल्ला झाला होता. या दहशतवादी हल्ल्यांमध्ये सीआरपीफचे ४० जवान शहीद झाले होते.

आजच्या दिवशी जम्मू-काश्मिरमधील एका दहशतवादी संघटनेने पुलवामामध्ये स्फोटकांनी भरलेल्या वाहनाचा वापर करून सीआरपीफच्या वाहनाला जोरदार धडक दिली होती. हा स्फोट एवढा भीषण होती की, या स्फोटात ४० जवान शहीद झाले.

या घटनेला आठवताच हृदयात दुखाःची कळ उठते. तेव्हा मी सर्वांना आवाहन करतो कि, प्रेमदिवसाच्या भानगडीत न पडता १ मिनिट मौन धारण करून वीरमरण आलेल्या ४० सुरवीरांना श्रद्धांजली अर्पण करू, तेव्हाच खऱ्या अर्थाने आपल्या भारतीय लष्करांबद्दल आदर वाढेल.

जय हिंद !!!
